## OUR FAMILY EDUCATIONAL SUMMIT AT GRAND FIESTA AMERICANA CORAL BEACH CANCUN WAS A GRAND SUCCESS!

Grand Fiesta Americana Coral Beach Cancun presents the ultimate option for a once in a lifetime event right in the heart of the most exclusive beach in the Mexican Caribbean, and our Family Summit hosted at the resort gave attendees and their families the perfect opportunity to experience and learn about everything this world class resort has to offer.

*"Wow! What a Fantastic FAM! I appreciate being able to bring the entire family as it gave me an opportunity to see how the venue, and Cancun, works for clients that travel with families. We are seeing this more and more these days with the USA assn. groups, many are now encouraging families to attend their annual conference. Each of you did an Amazing job and I can't thank you enough for the warm hospitality and the opportunity to see and do so much while in Cancun. When a client mentioned to me the other day about her concerns taking her assn. to Mexico due to the recent incident at another all-inclusive my response to her was immediate. If you have any concerns then you need to take your group to Grand Fiesta Americana because I can personally attest to the level of service and concern for guest safety at this particular hotel."*
