A HOLIDAY MESSAGE

**FROM DAVID J. MANZELLA
VICE PRESIDENT OF GROUP SALES & MARKETING**

As we come to an end of another successful year, I would like to recognize and thank all of our industry partners and customers for their continuous support and business.

For the International Group Business segment, Fiesta Americana Grand Meetings Mexico is up over 25% YOY and the future looks even brighter! With the resurgence of the incentive market, associations, and direct corporate business, our group base is extremely healthy going into 2015 and beyond. We are seeing "RFP's" now on an average of 12-18 months out and the length of stay for group business increasing by almost a full day! This is positive news for all of us as we continue to evolve in the dynamic and fluid meeting's industry.

In 2014, we had the privilege to open two luxurious properties in Cozumel, Mexico, the Fiesta Americas Cozumel All Inclusive Resort and The Explorean Cozumel All Inclusive. These unique resorts offer an active, lifestyle experience and will provide a memorable visit to the tranquil island of Cozumel. In addition, we converted one of our truly Mexican authentic properties in Puerto Vallarta to a high-end all inclusive resort, which now features several more restaurants, bars, a new theater, and sensual spa! The property is now called Fiesta Americana Puerto Vallarta All Inclusive & Spa.

This past year also brought about the active promotion our of City Collection, a collection of twelve distinguished hotels located in some of the most sought after urban locations throughout Mexico such as Mexico City, Guadalajara, Merida, and Queretaro. Initial signs have all been positive for the City Collection initiative due to the fact that many of these cities headquarter corporations and industries that are found throughout other parts of the world as well as provide attendees a very culturally rich Mexican experience.

Looking forward, 2015 will bring even more galvanizing announcements to include new destinations, new resorts, as well as continuous enhancements to our current properties. We will continue to grow our international selling efforts as the demand continues to increase, which will allow for new opportunities to showcase our authentic properties across a multitude of channels. The future will certainly be exciting times...

From all of us at Fiesta Americana Grand Meetings Mexico, we would like to thank you for your business and wish all of you and your families a wonderful holiday season and a Happy New Year!

Best regards,

David
