There is also a terrace large enough to accommodate up to 540 people and an outdoor event area for up to 250. Both make an ideal backdrop that will leave an impression on every guest. A captivating city with cosmopolitan charm.

It's Mexico, past and present, art and beauty every step of the way. There is a perceptible Bohemian ambiance, a chic way of life in a city that inspires. This is San Miguel de Allende, one of the most beautiful cities in Mexico, recognized by UNESCO as a World Heritage Site. Walking along the cobblestone streets you'll admire the imposing architecture; contemplating the façade of the parish church of San Miguel Arcángel to marvel at its neo-Gothic style; visiting the Artisan Market to look for examples of local art and handicrafts. Every road leads you to experience an encounter with art, history, gastronomy and enchantment. In this majestic and peaceful destination, there are an infinite number of experiences waiting for you.
