*With a strikingly designed pool that flows throughout the property like a lush lagoon, one of the best beaches in Cancun, stunning Mexican architecture, six fabulous restaurants and a luxury spa, Fiesta Americana Grand Coral Beach Cancun Resort & Spa truly is a fiesta for the senses.*

Most of Grand Coral Beach's 602 luxury suites have been recently updated and the remainder will be refurbished by the end of 2011. Club Level accommodations are available with complimentary light fare offered all day. Water sports abound on property, and Fiesta Kids Club activities include beachfront sand castle building, sea shell hunting, crafts and other interactive games. Visits to the ancient ruins also beckon nearby.

For dining, the intimate Le Basilic serves only 16 tables to guarantee a memorable French Mediterranean dining experience. A hot spot for fun, the hacienda-style La Joya presents Mexican dining, 150 tequila choices and Cuban cigars along with live music and performances. Viña del Mar serves breakfast with pool and ocean views on three levels or al fresco. The Coral Café in the hotel lobby is a European style eatery. And Isla Contoy is a casual poolside restaurant that serves fresh seafood under a palapa roof.

A gorgeous new 40,000-square-foot spa boasts unique gem therapy treatments and luxurious spa amenities including a revitalizing ten-step hydrotherapy

ritual, which detoxes the body and boosts the immune system through cold and hot water combinations and high and low water pressure. Stunning design elements include luminous Italian mosaics, marble and water features that flow over black granite.

For meetings and events, Grand Coral Beach houses 85,000 square feet of space including a private oceanfront terrace plus poolside reception space for outdoor options and incredible themed parties.
