Experience Picturesque Puerto Vallarta

Puerto Vallarta is nestled beneath the Sierra Madre Mountains in a charming little corner of heaven. Once a sleepy fishing village, it has retained the true flavor of Mexico and the warm hospitality of its people. The area is famous for its' idyllic beaches, colonial architecture and cobbled streets.

For some quality group bonding, you can head downtown to see the sites, like the crowned steeple of the iconic Templo de Guadalupe, or stop by Shrimp Beach, a local hotspot. Imagine your team snorkeling and scuba diving at Los Arcos or Las Marietas, swimming with bottlenose dolphins or a thrilling hot-air balloon group adventure over Banderas Bay. For the less adventurous, perhaps a relaxing gourmet lunch followed by a game of golf at the widely esteemed seven world-class courses. We have the perfect adventure.
