WHAT'S NEW

Experience A New Year With New Opportunities For Incomparable Meetings, Events & Incentives

Our collection of hotels and resorts is second to none in all of Mexico and the Dominican Republic. Whatever you and your attendees are looking for, we have the destinations, award-winning properties, and attentive, skilled, warm and courteous staff to help you plan and execute meetings that will have your attendees talking long after the event is over, and will make this year a grand success for you and your group.

“ I would also like to praise the work of your entire hotel staff. EVERYONE was extremely courteous and attentive. To be honest, we have never received such service... Eliud and Valeria in reservations were also helpful and valuable in managing our group's arrivals and accommodations. We were very impressed by chef Eric and his team. Not only did Eric go above and beyond to fulfill our group's requests, but the food and presentation were the best we've ever experienced...”

INDUSTRY NEWS & NOTES

Cancún sets all time tourism record with over 30 million visitors - here's why is so popular.

What Makes Cancun So Popular?

Cancun, Mexico set a new record recently when Cancun International Airport welcomed its 30 millionth visitor of 2022. On December 28, a traveler from Indiana received a surprise celebration as she passed through the airport upon arrival in Cancun. She was the 30 millionth visitor of 2022, setting a new record for Cancun. What exactly makes Cancun such a popular destination?
