

## NEW! THIS SUMMER, GRAND FIESTA AMERICANA CORAL BEACH CANCUN ALL-INCLUSIVE SPA RESORT IS SET TO UNVEIL THREE BRAND NEW RESTAURANTS

40,000 Square Feet of Newly Constructed Modern, Gourmet Dining Options Will Join the Hotels Exceptional Culinary Offerings.

**CANCUN, MEXICO (MAY 5, 2023)** – Beginning in Summer 2023, the award-winning **Grand Fiesta Americana Coral Beach Cancún All-Inclusive Spa Resort** will debut three brand new, carefully curated dining outlets sure to please even the most discerning palettes. Joining Coral Beach's already impressive award-winning dining options are Havana, an Argentinian Mexican Style Steak House, and Tuscany, an elegant Italian Ristorante, serving traditional Tuscan favorites, and Torii, featuring Asian-Fusion cuisine.

Located within 40,000 square feet of reclaimed space, directly off the hotel's main lobby, each of the three new restaurants have been constructed and designed with the utmost attention to detail. A sleek glass elevator transports guests to an elegantly decorated lounge and bar, where they can relax before or after their meal and enjoy a cocktail.

"Throughout the years, Coral Beach has adapted to meet, and hopefully exceed, the needs of our guests," said Alberto Gurrola, Managing Director, **Grand Fiesta Americana Coral Beach Cancun All-Inclusive Spa Resort**. "When the hotel transitioned to a luxury all-inclusive model in 2020, we recognized the need for more dining options. After thorough planning and thoughtful research, we are extremely pleased with the results. We look forward to unveiling a full program of restaurants this summer that will complement our already robust luxury all-inclusive offerings."

## HAVANNA ~ STEAK HOUSE

Designed to evoke a sexy supper club, **Havanna** is Coral Beach's new Argentinian Mexican Steak House destination. Featuring nightly tango shows during dinner, Havanna transforms into an exciting nightclub after dark. With seating for 130 guests, Havanna will serve up the best Argentinian cuts made to order and seared on a Basque-style grill utilizing locally sourced wood. The menu will feature large, sharable plates, including Cobb Salad and an Arugula Salad with heirloom tomato, hearts of palm, and red onion, in addition to the many steakhouse classics, such as Oysters Rockefeller, Angus quality grilled cuts such as filet mignon, rib eyes, Kurobuta pork chops, and rack of lamb. Traditional, shareable sides include roasted asparagus, creamed spinach, wild mushrooms, mac and cheese with aged cheddar, and rib eye chicharron. Of course, no steakhouse experience would be complete without a selection of Premium cuts and offerings such as the Tomahawk, Kansas City Strip steak, Porterhouse, and a Caribbean Lobster, all of which can be enjoyed for an additional charge.

## TORII ~ ASIAN FUSION

**Torii** is a modern, creative, and immersive Asian fusion guest experience. With a seating capacity of 120, Torii boasts an elegant sushi bar and eight Teppanyaki tables. At the sushi bar, guests can watch chefs prepare traditional favorites such as nigiri and innovative rolls, temaki, and kampachi sashimi with jalapeño, miso crispy rice with spicy tuna, and wakame, using only the freshest fish and seafood. The ever-popular chef omakase experience at the Teppanyaki tables presents its own nightly entertainment and a menu that includes miso soup, fried rice, and a protein of your choice, including delicious add-ons such as Wagyu A5, lobster, and sea urchin for an additional charge. Torii's menu also offers a variety of tempuras and dishes such as Szechuan Beef, Kung Pao Chicken, and Pad Thai. Throughout the evening, guests will enjoy performances that include an ancient Japanese drum ceremony, a traditional Chinese lion dance, and a time-honored sake ritual performed to usher in good luck, fortune, and prosperity.

## TUSCANY ~ ITALIAN RESTAURANT

Guests will savor the flavors of Italy's most celebrated cuisine as the melody of live Tenors transports them to the famed rolling Italian countryside at the new 130-seat ristorante, Tuscany. In classic Italian style, the menu begins with a first course or 'Primo,' such as a Tuscan salad with mixed greens, candied walnuts, and goat cheese; roasted beets with creamy Jococoque, or, of course, an antipasto with prosciutto and melon, bruschetta, and Sicilian style arancini. For Secondi, fresh homemade pasta such as creamy goat cheese gorgonzola ravioli, spaghetti carbonara, Cacio e Pepe, and a rotation of daily risottos such as fresh seafood, white wine, and saffron or truffle oil, and porcini mushrooms are on offer. For dessert, guests can indulge in the hotel's interpretation of tiramisu or cleanse their palate with delicious gelato.
